***Allowable Subject Matter***

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: the application is allowable for the reasons set forth argued on page 4, lines 28-34 onto page 8, lines 1-28 of Appellants' brief, the claimed invention requires "the steps of: generating, in direct response to an action of a player playing a game, a first area overlapping only a portion of a resource area, the overlapping portion defining a resource collection area", as required in claim 1.

The prior art fails to disclose or render obvious a method of playing a game in combination with the other claimed limitations of claim 12:

"enabling an acquisition of resources from a second portion of the first area not being overlapped by the second area".

The prior art fails to disclose or render obvious a method of playing a game in combination with the other claimed limitations of claim 17:

"enabling an acquisition of resources from a second portion of the resource collection area not being overlapped by the second area".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
